

A VARIETY OF FOOD PRODUCTS SERVED HOT AND FLAVOR FRESH

The Hatco CDW-3N is designed to keep a variety of food products hot and flavor fresh until served. With a single non-humidified cavity, and a single temperature control, this unit provides dry, even heat for food products that do not require humidity. With insulated top, side, and back, these drawer warmers provide excellent energy efficiency.

CDW-3N

CDW-3N
Drawer Warmer

- Freestanding model has low profile 2" (51 mm) casters (two swivel with wheel locks and two swivel) as standard.
- Digital electronic controller for easy programming and temperature accuracy.
- Low velocity convected air system provides even temperature throughout the cabinet.
- Tough, solid chrome handles are angled to avoid glances from passing carts.
- Narrow width fits most kitchen footprints.
- Heavy-duty drawer slides with nylon rollers.
- Each drawer fits a standard 12.75"W x 20.75"D x 2.5", 4", or 6"H (324 x 527 x 64, 102, 152 mm) food pan or 12.75"W x 20.75"D x 6"H (324 x 527 x 152 mm) perforated food pan.
- 120 and 230 volts with 6' (1829 mm) cord and plug.
- Completely insulated single cavity provides maximum energy efficiency.
- Two-year warranty on heating elements, drawer rollers and slides.
- Includes three full size pans
- Accessory stainless steel food pans available
