

MODULAR FAMILY

In a busy foodservice environment, the needs of your customers can change moment to moment. San Jamar's complete Modular Family offers a wide variety of Counter Service products to help any facility provide easy access to condiments, utensils, sauces and more. The Modular Family also shares a uniform look so the display customers see is consistent.

The Modular Counter Organizer family shares a common base that allows you to mix and match interchangeable inserts to dispense various condiments, utensils and straws while also being able to accommodate 1/6 size GN pans & San Jamar's Mini Dome®. The Modular Straw & Napkin Combo dispenses napkins, straws and other condiments. The Modular FrontLine™ Pump provides ready access to sauces, portion cups and portion cup lids. And the Modular Bulk FIFO Dispenser allows for high capacity, First-In, First-Out condiment dispensing to ensure rotation of product.

MODULAR ORGANIZER

The Modular Organizer series includes shallow & deep trays for storing and displaying product & condiments. The trays can be interchanged, along with the tray dividers, making it a truly customizable organizer. Multiple units can be interlinked with rubber non-slip feet that keep organizers aligned and connected.
