

Saber King® Product # 980-000-00

Save Labor. Improve Safety. Prep Faster.

Save labor, improve safety and maximize space utilization with the Saber King®. The first truly universal food prep system includes a multi-purpose chassis with easily interchangeable blade sets which can accommodate all of your cutting needs.

The Saber King® is the safest and most versatile food prep product on the market. It can replace all of your current slicers while delivering world class performance and reliability. This patented system allows for easier food preparation, easier cleanup, and fresher food for your customers.

The Saber King® provides flexibility for future expansion to accommodate ever changing menus without the need to purchase an entirely new piece of equipment. The patented system is capable of functioning as a truly all in one slicer.
